

NOW A NOVICE: Roger Landry of Fall River, Mass., began his year of canonical training August 15. He is now known as Brother Paul Richard.

ENTERS NOVITIATE: Jerome Lendway of Pittsford, Vt., donned the habit of the Brothers of Christian Instruction last August 15, and received the name of Brother Jerome Mary.

Successful Summer Session at L. M. C.

Although still in their infancy, the summer sessions of La Mennais College in Alfred, Me., are boasting of fine enrollments. This past summer, the number of students neared the hundred mark.

Besides four postulants and 30 Brothers of Christian Instruction, the following were represented: the Sisters of St. Joseph of Lyons, the Sisters Servants of the Immaculate Heart of Mary (Good Shepherd), the Sisters of the Presentation of Mary, and the Brothers of Charity.

In addition to courses in philosophy, education, the physical and the social sciences, the College was proud to have Brother Norbert Felix from Montreal to offer a course in 19th century French Literature.

The other instructors were Brother Paul Eugene, dean of studies, Brother Gabriel, Brother Ernest, Brother Conrad Joseph, and Brother Robert Alfred.

News of the Brothers

Brother Philip Joseph continues to work on his doctorate in biology at McGill University in Montreal, where he spent the past year.

After his final summer of graduate work, Brother Roger Edmond was awarded the degree of master of arts in education from Boston College. Brother Roger is on the faculty of St. Louis High School in Biddeford, Me.

Brother Lawrence Victor, one of our several American missionaries laboring in British East Africa, has returned to his cherished Uganda after spending a few months in the States to restore his health.

Brothers from Haiti Visit

Four Brothers from Haiti spent a few weeks here in the United States, after attending a summer session at St. Michael's College. Brothers Nazaire, Gabrielli, Ephrem, and Jerome spent some time in Alfred and at Boyland; later, the missionaries traveled to Fall River, Mass., where they enjoyed a day with the Brothers. From there they returned to New York where, on September 3, they boarded a plane for Haiti.

Unless you write to us saying you are not interested, we are planning to send you, with our compliments, a copy of this newsletter every other month. We hope to make it a monthly at some future time.

Would You Be Interested?

Lately, the Brothers of Christian Instruction have opened a camp for boys at Naples, Maine, and staffed Cathedral Central High School in Detroit, Michigan. But they also had to refuse opening four other schools for lack of personnel. Year after year, for the same reason, offers to open new schools have to be turned down.

The Catholic population of the United States is growing tremendously. Within ten years, 40,000 more religious teachers will be required in the Catholic schools of America. Will we have them? The recruiting problem is acute; it must be solved.

We have been working hard and have achieved some success in past years. But it takes 8 years to train a young man to teach, and it costs the Order approximately \$5,000. for each one. We must try harder still to achieve more in the recruiting field. Could we help one another to increase the number of religious apostles?

Suppose we were to pay you a 5% interest annually, as long as you live, would you be willing to deposit some money with us on a life income basis, a kind of charity and income benefits plan? The details would spell out as follows:

- 1) We pay 5% interest annually on any amount given us, as long as the donor lives;
- 2) The principal to become sale property of the Brothers of Christian Instruction upon death of donor.

This is a sound investment for time and eternity. You are lending money to God to help bring thousands of souls into heaven. You are placing money in the bank of God to withdraw it in heaven where it will bear interest for you eternally. No other earthly investment can equal this deal. Would you consider it?

Suppose you could not do anything for us financially, kindly ask God to send many generous young men to join us so that more thousands of Catholic youth may find their way into heaven through the apostleship of more religious teachers.
