

## Around the Province

**Alfred, ME** The winter months have inflicted a relatively harsh blow on members of the Alfred community. Brothers Robert Michaud and Donald Lapointe were hospitalized at Goodall Hospital, Sanford, Me., for a few days for upper respiratory infections due to serious colds. Most of the community suffered from bad colds or flu-like symptoms. The flu vaccine was not at its best this year.

Br. Mark Couture had a knee replacement, which kept him at Goodall Hospital and Newton Rehabilitation Center for three weeks. Confined to the Notre Dame infirmary since his return, he is slowly recuperating.

Br. Albert Heinrich also fell ill during his visit to his sister, Mrs. Katherine Schwartz in Sun City Center, FL. He came down with a serious case of cellulitis and had to spend a few days at South Bay Hospital in Sun City Center.

Br. Edmond Drouin is presently living at the Varney Crossing Rehabilitation/Retirement Home in North Berwick, ME. He recently caught pneumonia and is slowly recuperating.

**Fall River, MA.** Br. Normand Simoneau has returned to Catholic Memorial Home after spending a few weeks at Norwood Hospital for further clinical evaluation. He is able to walk on his own now and seems to be regaining some of his strength.
